RECORDS

BROKEN

Boys' Clubs Field Day Proved a Great Success.

The Boys' Field Day sports brought out a large crowd of athletic representatives of the various boys' clubs about town, and they succeeded in breaking several of their past records, both in the field and track events.

The meet was graced by the presence of Governor Carter, who made a brief address to the boys. He told them to work up enthusiasm in their clubs and that each boy should strive to make his club the best. As to the trees they planted, as a part of the day's exercises, the Governor said the boys should take pride in keeping them alive and thrifty. If one died, they should plant another and do everything possible to bring it to maturity ahead of the others. The boys gave three cheers for the Governor.

In the individual contests for points, W. Desha of the Palama Club won for the seniors, getting 17 points. Sing Chong of the Kawaihahao club, won for the Juniors, getting 21 points, having five firsts, and two seconds for places.

FOUR MEN

ARE DOWNED

Quartette of Knockouts at the Boxing Carnival.

A goodly crowd filled the Orpheum last night to witness a number of amateur bouts dished up for the delectation of local fight fans by Joe Cohen. The show was worth the money, and there were four knock-outs, at least two of which were genuine.

There was the usual crowd of business and professional men at the ring-side and a very general remark was "Well, I am surprised to see you here." Jack McFadden acted as master of ceremonies and Larry Dee held the clock and smote the gong.

After a scraplet by two colored newsboys with robbers' legs, Kid Toy of Punchbowl faced Kid Harris of Kakaako, at 115 pounds, and a good bout resulted in the decision going to Harris. The latter's wrestling tactics should have made the verdict a draw. Kid Vierra challenged the winner.

Jack O'Brien of Punchbowl next tied up with Harry Wilson of Kakaako in the 115-pound class, and the former sought the boards in the first round for no outward or visible cause. After opening his eyes to make sure that he had been counted out, O'Brien walked out of the ring with a contented smile on his face.

The next exhibition was between Sidney Jackson and Kahalele, the "Wild Swan of the Magoon Block." C. Brown of the U. S. S. Iroquois challenged the winner.

The wild swan carried the heavier feathers to the extent of some 25 pounds, and Jackson, running into a full-fledged left swing in the very first round, went down and out.

Nigel Jackson and Wailani, the "Kakaako Wonder," and protege of Bill Huihui, then got into the limelight and the winner was defied by Tommy Ryan.

The first round was a fierce one and there seemed to be a bit of a grudge between the two. Round two saw Jackson connect with a straight left and then for him all was night.

A six-round contest between heavyweights Bill Lang of the Iroquois and Red Dixon of Kewalo looked like the goods, but the alarming ignorance of the sailor and the traction engine methods of Dixon resulted in a farce which the referee hadn't the nerve to adjudicate on.

Ernest Heine and Young Nelson brought up the rear and the latter showed far and away the best boxing of the evening. The go was to have been of six rounds' duration, but Nelson put it all over his opponent and knocked him out with a left hook in the second round.

Bill Huihui was introduced and it was stated that he would shortly be matched to fight 15 rounds with a white lightweight from California.

LURLINE TO ENTER RACE

THE SCHOONER YACHT LURLINE.

The trans-Pacific ocean race next summer for the Hawaii Cup bids fair to be the most popular yachting event ever held in the Pacific. It is the first long-distance race and will bring out speed and seagoing ability of the boats participating. It cannot help but improve future designing of pleasure craft and open up a wider field for cruising than ever dreamed of by yachtsmen. The voyage to Hawaii will be particularly advertised by this race and probably lead to other races across the Pacific in years to come.

By the last mail T. W. Hobron received a letter from Com. Sinclair, of the South Coast Yacht Club, in which he stated that he was delighted that a cup was going to be offered for a race from San Francisco to Honolulu and he would certainly enter his schooner yacht Lurline for the event. A friend of his, Mr. Hebler, thought he would enter his yawl, Minerva.

Com. Sinclair is making some alterations in the hull and rig of his yacht that will add to her speed and appearance. The bow and stern have been cut off and lengthened out making her quite a modern craft and she will hardly be recognized as the same yacht that was here last year.

THREE HAWAIIAN COWBOYS—WILLIE SPENCER, IKUA PURDY, ARCHIE KAAAU.

HIGH SCHOOL VICTORIOUS

Run All Over St. Louis in the Football Game.

The High School football team lined up against the St. Louis College combination yesterday afternoon at the league baseball ground and won from the collegians by the score of 16 to 0.

The St. Louis team was the heavier and their supporters confidently expected a victory for the eleven played all round the 10th Infantry team on the previous Saturday.

The double card of baseball attracted a good crowd and a keen interest was manifested in the struggle at all its stages.

At the start the collegians went through their opponents' line at will, but the High Schools soon took a tumble and when they started to play they kept it up, registering a couple of touchdowns, a converted goal and a goal from the field.

In the latter part of the second half the St. Louis team played up gallantly but their effort was made too late and try as they might they could not score.

Ena, at full-back, played a star game for the losers being responsible for any number of gains. He hit the line hard and took a great deal of stopping.

For the winners R. Chillingworth at left-half played an invaluable game while Lightfoot at right-tackle secured one of the touchdowns by a nice piece of sprinting.

Sumner was there with the kick that counted pulling his team out of several tight places with his good right foot and notching a couple of beautifully placed goals.

The teams were as follows:

High Schools. L.E.R. St. Louis.

Tucker Guerrero

W. Chillingworth and John Lo. Akina

S. Wight Bishaw

Gilliland Kalana

Sherwood Meyer

Lightfoot Keawe

Sumner Amoy

Ferreira Clark

R. Chillingworth Sheldon

S. White and Pattigan Whiting

R. Clarke Ena and Kahlbaum

Touchdowns—R. Chillingworth, Lightfoot.

Goal from Field—Sumner.

Umpire—R. C. Van Vliet.

Referee—Capt. Humphrey.

Linesmen—Capt. Schoeffel, Paul Jarrett.

Timekeeper—Dr. Raymond.

Time of Halves—Twenty minutes.

The High School kicked off from the mauka end, a good kick being fumbled, but St. Louis retaining possession.

St. Louis appeared to go through their opponents' loosely knit line with ease for small gains.

High Schools got the ball and punted to St. Louis' 15-yard line, at this period beginning to display some team work. R. Chillingworth aided by excellent interference made a nice run of twenty yards, handing the ball on St. Louis' 10-yard line.

St. Louis got the ball but lost it on a blocked kick by Ena and rush it to 2 1-2 yards from the goal, Bob Chillingworth carrying it over the line for a touchdown the next play.

Sumner converted neatly.

Sumner kicked to the 25-yard line and the ball was brought back to the 50-yard line by Ena.

After a fumble by Ena, Lightfoot picked the ball and netted a touchdown after a sprint of 40 yards, Sumner missed kicking goal.

This ended the first half and the only scoring in the second period was a goal from the field by Sumner.

Soon after this goal the ball went to St. Louis 5-yard line and the High School looked like increasing their score. St. Louis bucked up, however, toward the close of the game and slowly but surely forced their opponents back toward their own territory.

TO EXPLORE RABBIT ISLE

Alarge party of young men left Brewer's wharf at 3:30 o'clock this morning in one of Young Bros. gasoline launches, bound for Rabbit Island.

The party goes on an exploring expedition and has with it a wealth of fishing tackle, a 10-gallon keg of beer and a small arsenal.

The topography of the island and its flora and fauna will be thoroughly investigated and a report thereon made to Professor Hocking of the Primo Beer Company.

ALOHAH IN RARE FORM

What will perhaps be the last good game of baseball witnessed by local fans this season, was played at the league grounds yesterday afternoon, as a preliminary to the football game between High School and St. Louis College.

The Diamond Heads and Alohas crossed bats and a very fair crowd saw the game.

It will be remembered that last Sunday the Alohas defeated the Diamond Heads in the play off to decide the winner of the second series of the Winter Baseball League, the score being 2 to 1.

Yesterday's game, while in the nature of an exhibition affair, was keenly contested for seven innings and up to the eighth looked as if either nine might be returned winner.

The score at the conclusion of the seventh was 5 to 4 in favor of the Alohas but the latter cinched matters and proved that the result of last Sunday's game was no fluke, by rolling up three runs in the eighth innings and winning the game by the score of 8 to 4.

The score by innings:

Diamond Heads 1 2 3 4 5 6 7 8 9

Alohas 3 0 0 0 1 0 0 8-4

The line-up was as follows:

Diamond Heads—Sullivan, p.; Horner, Bruns, c.; Soper, 1b.; S. Chillingworth, 2.; Froeth, 3b.; McCornist, ss.; Soares, rf.; Fernandez, lf.; Sumner, cf.; Alohas—S. Hoopli, c.; Townsend, p.; Kolowena, 1b.; C. Jones, 2b.; Bolster, 3b.; Aylett, ss.; Cockett, cf.; N. K. Hoopli, rf.; Jonah, lf.

THE CHRISTIAN ATHLETES

The game of indoor baseball last night at the Y. M. C. A. gymnasium was not disappointing in interest.

The Diamond Heads went to bat with the full idea of winning against the Iolani and so did with a score of 8 to 5.

The Diamond Heads have been the winners of the Indoor Baseball League championship for the past three years, the Iolani coming second last season.

The line-up this year of the above teams is as follows:

Diamond Heads—F. Becher, E. Fernandez, E. Desha, S. Chillingworth, U. Lemon, Crews, Geo. Clark, J. Q. Baptist, Geo. Desha.

Iolani—D. Keoho, A. Keoho, J. Souza, L. Evans, H. Bushnell, C. Gilliland, C. Lokalia.

Next Thursday's game will be between Kauluanis (or 5 o'clock) and Iolani.

This will be the first appearance of the Kauluanis team and many are wondering what kind of a game they will play this year.

The umpire last night was A. T. Brock and the scorer Chas. Bart.

The Y. M. C. A. football team will practice on Monday afternoon at 5 o'clock on Punchbowl street.

On Monday night at 7:30 sharp the different athletic clubs of the city will meet at the Y. M. C. A. to arrange a program for the sports on December 2nd.

Today's Events.

There will be two baseball games at Kapiolani Park this afternoon, one between the Diamond Heads and the Ewa Sugars and the other between the 10th Infantry nine and the Twilights.

Dave Barry, the Irish champion of Honolulu, will soon be married, it is said, to Miss Susie White, a young society girl of San Diego. It is said Dave is cutting quite a caper in society circles in the southern town. Barry went to San Diego recently to meet Jim Tremble and he won the contest. It is thought he met Miss White during the time he was training there.
